

SUPPLIER MEMBERSHIP

Why Join?

ChefsNetwork is changing the dynamic of how chefs source their products and how they communicate with the companies they do business with.

In this business, communication can make or break profitability for both the chef and the suppliers.

With both chefs and sales representatives constantly taking more onto their plates, it's time to bring this fast paced and perishable business to the next level, and make things a little easier.

MEMBERSHIP OPTIONS

Wholesale Food Distributors - Free & Paid

Chefs Network will be providing a company listing for all wholesale companies utilizing public information, including logo, web address, brief description and contact information.

Companies have the ability to upgrade to a marketing membership. For far less than any online marketing options currently available. This involves a customizable profile page that allows members to host PDF flyers, photo, video, links and custom text fields. Each account comes with 10 user accounts for your

Wholesale Non-Food Distributors - Free & Paid

This membership is very similar to the food suppliers account with a few different features, features that interface with our bidding engine. This allows your sales force to quote equipment bids directly through the site.

Join us in reinventing the way our industry does business!
